

A-OK WALL MOUNTED LOW PRESSURE SYSTEMS

FOAM BRUSH TIRE/ENGINE PRESOAK

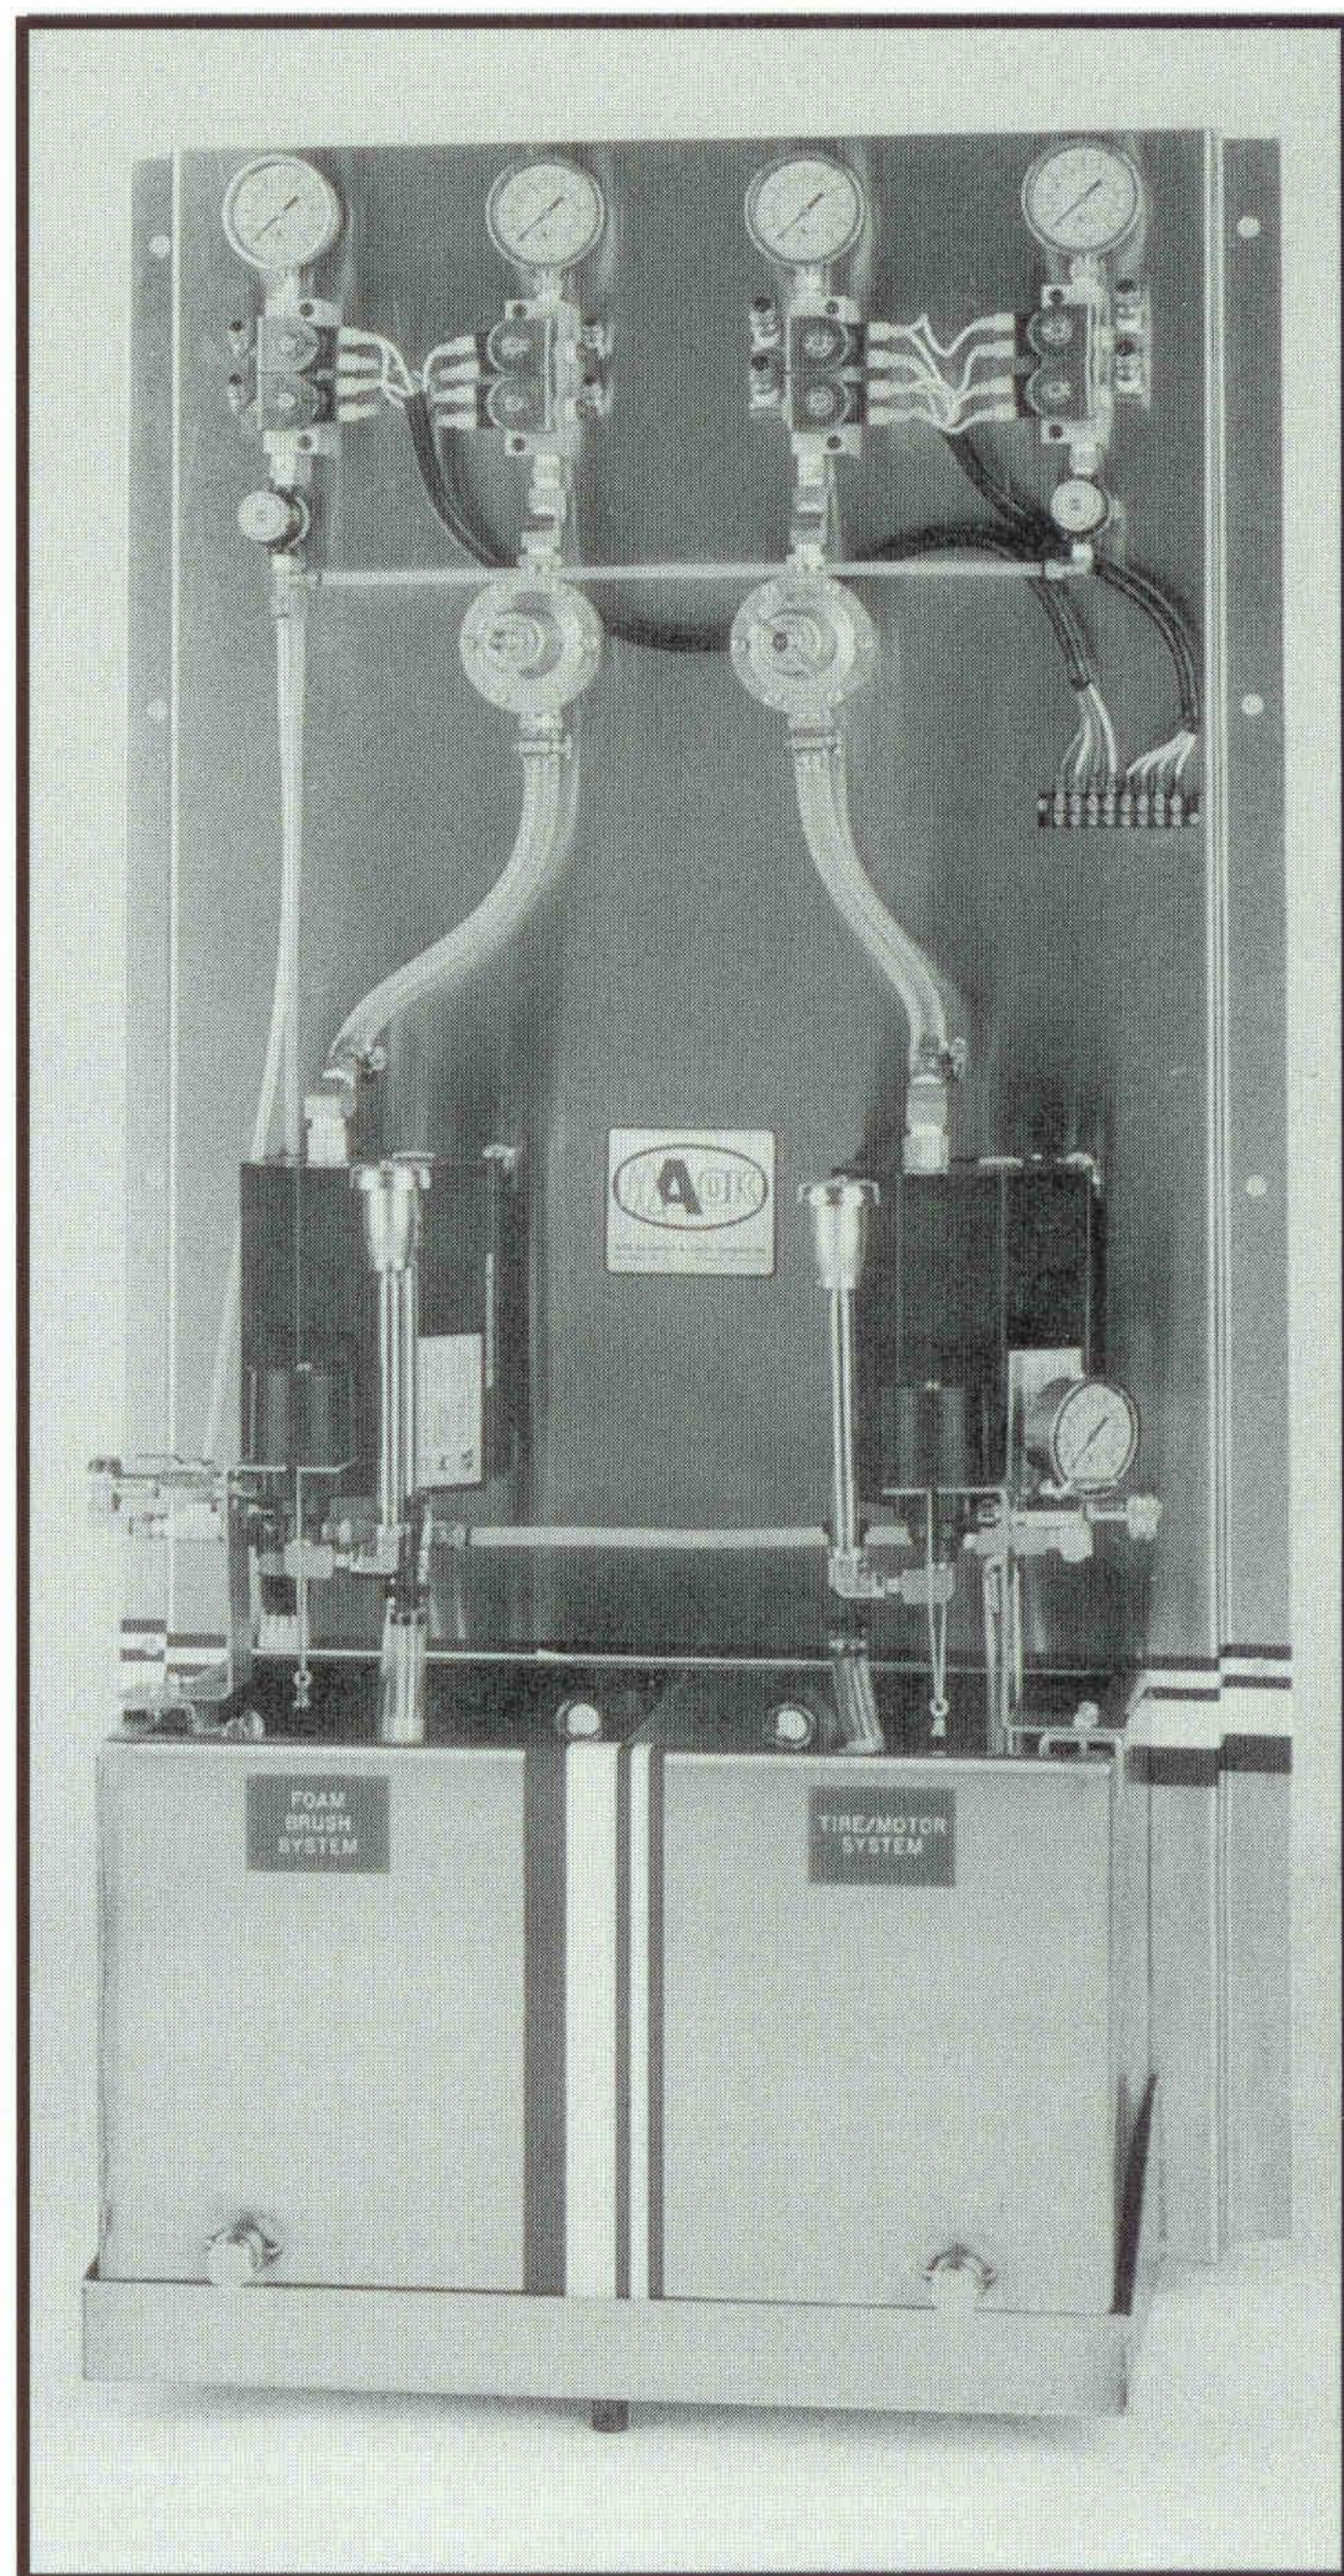

All A-OK Wall Mounted **Foaming Brush, Tire & Motor or Presoak** Systems are constructed of the highest quality components available in the industry today. These units may be wall mounted directly above the chemical supply or free standing on your equipment room floor. The mounting panel is 100% stainless steel to prevent corrosion. Each system is totally independent with it's own **air operated diaphragm pump, liquid chemical proportioning valve and adjustable solenoids** for precise delivery to each bay. Every system comes complete with all required bay equipment and tubing. Available in single or dual configuration to meet your exact requirements.

SPECIFICATIONS:

Dimensions: 48H x 27W x 14D - Dual
48H x 14W x 14D - Single

Weight: 50 lbs. (Dry)

Air: 1 CFM Per Bay
